Barker Technology Ltd

26-6-2009

Attn: Mr C Barker,

Re: FDA compliance - Samsung Polypropylene
- Lucel N 109 Acetal

Dear Chris,

We wish to confirm that according to the information provided by Samsung General Chemicals, Samsung BJ100, conforms to the food regulations FDA Title 21 CFR 177.1520 for single and repeat food contact use.

From the information provided by LG Chem, Lucel N109-02 conforms to food regulations FDA Title 21 CFR 177.2470 for food contact use.

Should further information be required on Clariant Masterbatches and Polymers, please do not hesitate to contact us.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "C. Walton".
